

CHAP. 144. Arundel Counties, be, and they are hereby authorised and required to levy upon the assessable property of said counties, seven hundred dollars, exclusive of commissions allowed for collection, to be applied to the repair of the Bridge over the Patapsco Falls, at Ellicott's Old Upper Mills, one moiety of which sum of money shall be levied on the assessable property of Baltimore county, and the other on that of Anne Arundel county, which said assessment shall be made, levied, and collected, in the same manner that other county levies are now made in said counties, and, when collected, shall be paid over by the commissioners of said counties, respectively, to the commissioners appointed by the act to which this is a supplement, or to their order, to be applied by the said commissioners to the repair of the Bridge therein mentioned, according to the provisions of the act to which this is a supplement.

Application

Previous authority

Sec. 2. *And be it enacted,* That if the commissioners of Baltimore or Anne Arundel counties, have failed or neglected to levy any sum or sums of money heretofore authorised and required to be levied on the assessable property of said counties, by the act to which this is a supplement, or by any other act of assembly which has been passed for the purpose of repairing the Bridge aforesaid, they are hereby authorised and required to levy, collect, and pay the same to the commissioners appointed by the act to which this is a supplement, to contract for and superintend the repair of the Bridge therein mentioned, and the same shall be applied to the same according to the provisions thereof.

CHAPTER 144.

Passed Feb., 24, 1835 *An act to Incorporate the Wexvorton Manufacturing Company.*

Preamble

WHEREAS, it is represented to the General Assembly, that Casper W. Wever, being proprietor of certain land in the counties of Frederick and Washington, at which there is valuable water power, sufficient for the operation of all kinds of manufacturing machinery, is desirous of engaging in such manufacturing operations at the said place, and for the purpose of being enabled so to do on a more extensive scale, and with a larger amount of capital, proposes to take
